Version Control

UI/UX design principles

Attention to detail

Code Languages

HTML

CSS

JavaScript (currently in progress)

Experience

2023 – 2024
The Hyde Restaurant

Waiter
- Quickly adapted to a fast-paced environment and ensured customer satisfaction.
- My responsibilities included taking orders, delivering food, and managing customer requests to ensure a positive dining experience.

2023 - 2023
Glow & Go

Receiptionist
- Assisted in managing various customer inquiries and service requests.
- Contributed to improving client satisfaction and enhancing the overall customer experience.
- Handled scheduling, appointment bookings, and customer communications efficiently, ensuring smooth operations.

Education

2025 - 2026
CodeSpace Academy

Software Development
- Gained hands-on experience building responsive websites using HTML, CSS, and JavaScript.
- Developed real-world projects including task managers and library apps, following industry best practices.
- Learned version control using Git/GitHub, and introduced to frameworks like React.js and Tailwind CSS.

2018 - 2022
Voortrekker High

High School Diploma
- Built a strong academic foundation in problem-solving, teamwork, and time management.
- Participated in school projects and leadership roles that developed communication and discipline.
